

1 and 3 Gallon Permit-By-Rule Daily Log

****Duplicate this sheet before using!****

- This sheet is designed for facilities subject to permit-by-rule recordkeeping requirements
- Records must be maintained daily.
- ‘Amount Sprayed’ includes all sprayable material (i.e. paint, thinner, reducer, lacquer, glue, etc.) and should be reported in gallons.
- To be in compliance with the ‘*permit by rule*,’ make sure the facility never sprays more than one or three gallons per day (as applies to the facility).
 - » If facility consumption exceeds the stipulated limit for any given day, further permitting is required.
- Each operator may keep his or her own consumption record sheet. However, they must be totaled daily to determine facility-wide consumption.
- This sheet must be kept for 18 months after it is completed.
